

## *Eight Essential Reasons to get ScaleBlitzer*

1. You will actually **WANT** to practice your scales. Yes, really.
2. ScaleBlitzer **remembers** your homework and **keeps track** of your progress, testing you more on the scales you have trouble with
3. The fact that you have to rate yourself each time you play a scale means you will **actually listen** to your practice
4. You can **record** your playing and prove to your teacher that you 'got it right at home'
5. You earn points for every scale you play and you can watch yourself move up the **ScaleBlitzer leaderboard**
6. Your teacher can track your **progress** with ScaleBlitzer and set up a studio competition
7. ScaleBlitzer helps you prepare for **exams**
8. You'll have **fun** when you practice
